eLinkCart is a total eBusiness solution. It is more than just a simple Shopping Cart. It integrates directly with the Intrust Win software to completely automate the online ordering process and removes time consuming manual entry of both B2B and B2C transactions into your Intrust Win accounting system.

#### Features and Benefits of eLinkCart include:

- Fully supports Internet Explorer, Firefox and Safari
- Real-time shipping and multi-jurisdictional tax calculations
- Multiple payment types including PO (B2B), ACH and credit cards
- Control look and feel via themes and custom skins
- Fully integrated content editor
- Deploy cross-selling and up-selling techniques
- One-click online shopping carts
- Customer specific pricing and item availability
- B2B, B2C, Intranet, Extranet and Sales Portal
- Real-time shipping via UPS, USPS and FedEx
- Manage a Customer Wish List of items
- Smart reordering from history
- Real-time Shipping Rate Calculation
- Custom searches
- Order/Invoice Inquiry
- Includes Web Analytics, Webmail, Forums, Live Chat

#### Architecture Highlights

Multi-tiered architecture utilizing:

- Microsoft Windows Server
- Microsoft SQL Server 2005
- Microsoft IIS
- AES Encrypted security
- Flexible database structure
- Multi browser support
- Multilingual
- Scalable architecture
- Customizable
