MBS Dev is a Microsoft Gold Certified partner, certified as a Microsoft Dynamics AX Value Added Reseller (VAR) and Independent Software Vendor (ISV). MBS Dev is a business partner and a distribution software solutions provider on the Microsoft Dynamics AX platform.

Leader in Investment, Focused on Industry

Microsoft Dynamics AX and MBS Dev have formed a partnership to offer you a unique solution in the marketplace designed specifically to address your specific distribution needs. As a supplier, you gain access to a global software solution with a commitment to advancement and stability from Microsoft and the extensive industry expertise of MBS Dev. The result is cutting edge software unlike anything else on the market.

Paperless Warehouse

The MBS Dev Paperless Warehouse solution gives distributors access to software directly addressing warehousing pains. Paperless Warehouse provides a fully integrated warehouse management solution that allows wholesale distributors to supply products to customers quickly and efficiently. Inbound management, outbound management, inventory management and workforce management functionality allows **greater control, efficiency and accountability** over warehouse operations.

The Paperless Warehouse is completely integrated with the MBS Dev Wholesale Distribution Suite and Microsoft Dynamics AX enterprise-wide solution that will satisfy an extensive range of software requirements for durable and nondurable goods distributors.

Certified for Microsoft Dynamics

The MBS Dev Wholesale Distribution Suite is Certified for Microsoft Dynamics AX, signifying that the solution has met Microsoft's highest standard for partner-developed software by successfully meeting all certification requirements. Wholesale Distribution Suite has demonstrated development quality and compatibility with the Microsoft Dynamics AX product by passing rigorous software solution testing.
